HELP US GROW

Dear Yates Community Partner,

The bone-chilling weather feels like a distant memory as we enjoy summer days here in the Finger Lakes. With the change in seasons comes a lot of challenges. Whether you are a parent with kids playing sports or just someone who wants to host an event, our community's opportunity to do so outdoors is very limited. Looking at our mission of bringing health and recreational opportunities to all Yates county residents and the needs of our vibrant community, the expansion of our current Community Center feels like a natural next step.

In Health,

*Leigh Berry
President*

Our Proposed Expansion Plan Includes:

- Indoor multi-use playing field with turf & event flooring overlay
- Playground
- Pavilion
- Outdoor basketball/racquet sports court
- All required site work

What we need: \$2 Million for our current scope

What we have:

- \$500,000 NYS Matching Grant
- \$50,000 jumpstart pledge from Greenidge Corp.
- \$100,000 YCC Building Fund

Ongoing pledges are critical in completing this project. Please consider a **FIVE-YEAR ANNUAL** or **SEMI-ANNUAL** commitment at any amount to support the project.

**Help us build the ONLY indoor
Community Complex in
Yates County**

Enclosed is a pledge form as well as other ways for you to donate.

If you are interested in sponsorship of this project, please get in touch with me to hear about our higher giving levels.
